Here are the following web design services that were selected by the client:

1. Web Design using HTML, CSS, and JavaScript
2. Web Development using PHP, Python, or Ruby.
3. Web hosting
4. Domain name registration
5. Browser testing
6. Graphic design
7. Content writing
8. Search Engine Optimization
9. Webpage Analytics
10. Video creation
11. Design landing and squeeze pages
12. Technical support

PRICING

A separate document will be created for the breakdown of pricing which includes the web hosting, domain name hosting, rates per hour, etc.

WEB DESIGN CONTRACT

PAYMENTS

The total amount of the web design service is **\$1 Million**.

The initial payment is **\$100 Thousand**.

Payments will be made by **Direct deposit**.

If payment method is via invoice, then the company will provide an invoice showing the hourly fees, and other expenses.

If the client decided to sign up for the monthly retainer or continuous service, a different contract and pricing will be made.

WARRANTY OF SERVICES

VCloud Technology Company assures that services offered will be in excellent, superior, and first-rate quality.

For changes in the way of how we render our service, please notify us. If you're not satisfied with our work, kindly let us know so that we can further assist you.

SERVICE DELIVERY

After completing the project based on the approved design/plan, the client will be given 24-48 hours to decide if the project will be tagged as complete or incomplete. If incomplete, VCloud Technology Company will further assist the client with the same rate and apply the changes based on the requests of the client.

OWNERSHIP RIGHTS

All works created by VCloud Technology Company belongs to the Client under the "Work made for hire" Canada Copyright Law. Upon signing this contract, VCloud Technology Company will lose all rights to the work provided under this project.

CONFIDENTIALITY

The project or the services indicated in this contract is considered strictly confidential. The information about the web design services provided should not be revealed by both parties without written consent from both parties.

WEB DESIGN CONTRACT

TERMINATION

The effectivity date of these terms will start on the date the proposal was signed until the project is complete. A certificate of completion will be given to both parties together with their signatures.

Before the termination of this contract, all finished projects and materials will be surrendered to the client. This includes mockups, frameworks, artworks, codes, repositories, emails, login credentials, purchased software, hardware, and services.

INDEMNIFICATION

VCloud Technology Company and the Client indemnifies and hold harmless to each other against any claims, expenses, damages, and liabilities.

AMENDMENT

This contract can only be changed or modified by the VCloud Technology Company with the approval of the client. A new contract will be made if both parties wish to change a significant amount of content in this contract.

GOVERNING LAW

This contract shall be governed under the laws of the State of Windsor in Canada.

By signing below, you acknowledge the terms indicated in this document.
